

OPEN HOUSE

In Spring 2010, the GCL Project Team held Public scoping meetings to improve transit service along the Glassboro to Camden corridor. **Please join the GCL Project Team for an Open House** to understand the outcome of those meetings as the project prepares for the publication of their Draft Environmental Impact Statement (EIS).

Topics to be discussed:

- Overview of project background and current step in process
- Explanation of the Environmental Impact Statement (EIS) process
- Summary of Public comments
- Insight to the project purpose and need, alternatives, and environmental/social impacts to be studied

Learn more about the project by interacting with the Project Team and viewing the numerous information boards that will be on hand.
